

Our Team

Our teachers are a talented, experienced group, chosen for their training, experience and ability to relate well with children.

"The passion & enthusiasm that these ladies have for teaching is amazing. They were always so patient & enthusiastic with my daughter. She just started kindergarten & is beyond academically prepared for the challenges this year will offer. My younger daughter will definitely be coming to Little Treasures when she is old enough."

- Molly's mom

"Both of our boys have attended LTP & from day one we felt like part of the family! The curriculum & focus on kindergarten readiness provides a strong academic & social foundation. Because of that we had every confidence that the transition to all-day kindergarten would be a success!"

-Brennan & Grant's mom

Enriching Activities

Little Treasures Preschool is proud to have provided a Christ centered learning experience in Kennewick, WA since 1986. Our curriculum includes pre-kindergarten preparation, in which the children will acquire knowledge and experiences through age-appropriate learning activities. These activities lead to success upon entering the chronological grade the following year with eagerness and enthusiasm to learn. Learning will come from circle time discussions, monthly chapel times, music, craft/project time, STEM based activities, special visits from the Mid-Columbia Library and free play interaction with their peers.

Our Mission

The Mission of Little Treasures Preschool is to offer a Christian setting in which young children may grow, learn and develop physically, socially, spiritually, intellectually and emotionally. Each child will be provided with a loving and nurturing environment for their growth and development and respect for each child's individuality will be maintained.

Little Treasures Preschool is a federal 501(c)3 non-profit organization
